

## Works Notification

### Construction update

#### Sydenham

July 2020

To enable greater capacity on the Sunbury Line, we are delivering platform extensions, power upgrades and new stabling as part of the Sunbury Line Upgrade. This update provides an outline of current and upcoming works in your area.

#### What we are doing

##### Rail bridge construction

*Ongoing to late-2020*

- Installing a walkway, drainage and handrail to the newly constructed bridge
- Painting the exterior of the bridge
- Landscaping works in the surrounding area.

##### Track construction

*Ongoing to mid-2021*

- Excavating and installing new drainage infrastructure
- Installing new utilities and maintaining existing assets
- Service protection works, involving excavation and potential rock breaking if basalt rock is encountered.

##### Signalling works

*Monday 10 August to Friday 28 August,*

*Monday 7 September to Tuesday 15 September*

- Installing cables that will service new train signalling infrastructure
- These works will at times require the temporary closure of up to 16 spaces at the Watergardens station car park to facilitate access into the rail corridor.

#### When

- 7am to 6pm, Monday to Friday
- 7am to 1pm, Saturdays.

#### What to be aware of

- These works are expected to generate medium levels of noise and vibration, with intermittent periods of high level noise
- Construction vehicles will access the site via Victoria Road and the Melton Highway
- Construction vehicles will travel on local roads to access construction sites. Traffic controllers will be present at times to assist with vehicle, pedestrian and cyclist movements around the area. Please move carefully and follow the direction of traffic controllers at all times.

### Health and safety

The health and safety of our workers and the community is our key priority as we continue to deliver the Sunbury Line Upgrade, as is supporting physical distancing measures in line with current health advice.

We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.
