

## Works Notification

### Construction update

#### Sydenham

May 2020

To enable greater capacity on the Sunbury Line, we are delivering platform extensions, power upgrades and new stabling as part of the Sunbury Line Upgrade. This update provides an outline of current and upcoming works in your area.

#### Site and service investigations

*Ongoing until late-July 2020*

- Operating non-destructive digging (NDD) trucks to investigate ground conditions and confirm the location of underground services.

#### Track construction

*Ongoing to mid-2021*

- Earthworks involving the use of excavators, bulldozers and vibrating compaction rollers to change ground conditions
- Installation of new drainage infrastructure.

#### Rail bridge construction

*Ongoing to late-2020*

- Installing bridge abutments on top of the new piles. Abutments are concrete blocks that form the foundation for the beams that will support the new bridge
- This involves using equipment to break rock and excavate excess material, installing reinforcement steel cages and pouring concrete in to create the abutments.

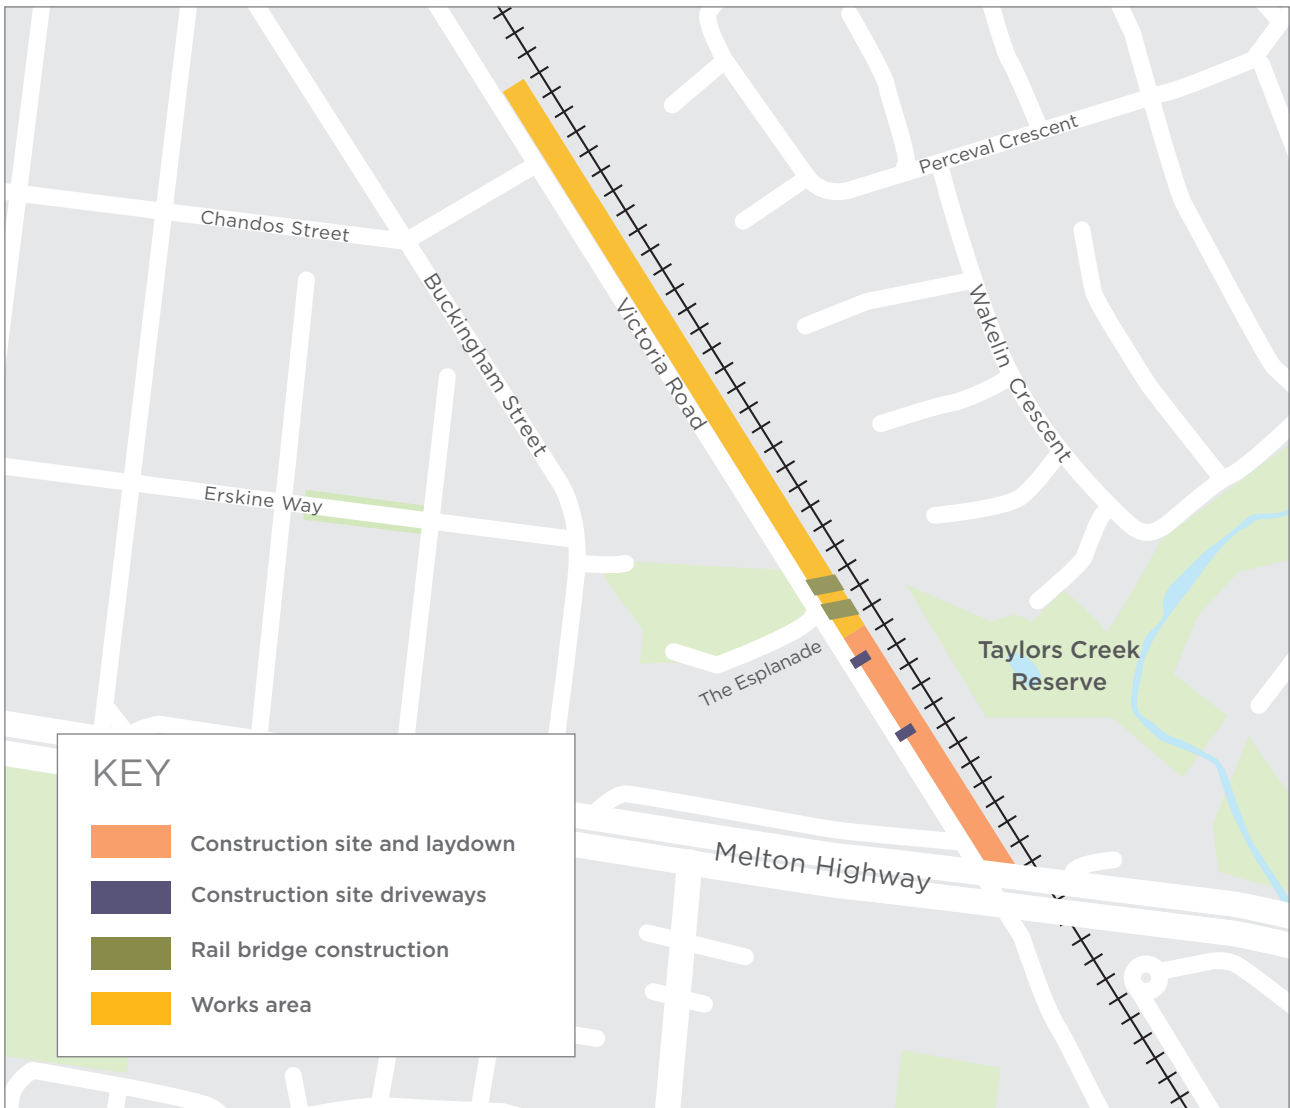

#### When

##### Hours of work:

- 7am to 6pm, Monday to Friday
- 7am to 1pm, Saturdays.

#### What to be aware of

- These works are expected to generate medium levels of noise and vibration
- Construction vehicles will access the site via Victoria Road and the Melton Highway
- An increase in construction vehicles including trucks will travel on local roads to access construction sites. Traffic controllers will be present at times to assist with vehicle, pedestrian and cyclist movements around the area. Please move carefully and follow the direction of traffic controllers at all times.

### Health and safety

The health and safety of our workers is our key priority as we continue to deliver the Sunbury Line Upgrade, as is supporting social distancing measures in line with current health advice.

We have strict protocols in place to protect the safety of our construction workforce, including enhanced industrial cleaning arrangements, provision of personal protective equipment and measures to reduce staff contact, including staggered shifts.
