OLD TREASURY BUILDING

SEA LIFE Melbourne

eureka skydeck

ZOOS VICTORIA

Dear Teachers,

This one-day event brings together teachers from all over Victoria interested in planning rich, city-based experiences for their students.

It's a one stop shop for information about organisations who provide educational experiences, plus planning and safety tips that will help you identify options, target links to learning outcomes and build a purposeful city-based program for your students.

Suitable for all primary and secondary teachers who coordinate city-based programs and camps for their schools.

**Monday
9 November**
8.30am — 3.30pm

Storey Hall, RMIT University
336-348 Swanston Street
Melbourne

Melbourne City Experience Expo 2020

Program includes:

- » **Site Trails** — select from a range of two hour tours highlighting the activities available at more than 30 different locations.
- » **Org Speed Dating** — stay seated as we come to you with a lively series of program pitches!
- » **Choose Your Own Adventure** — close out the day by visiting one organisation to experience their program offer in depth.
- » **Certificate of Participation** for VIT registration available.

What's new at Expo 2020?

- » Keynote speakers to address the Melbourne experience and the value of city-based learning activities.
- » Spotlight on safety and logistics — managing school groups in our busy, construction beleaguered city.
- » Showcasing sustainable and ethical food options for your students, including morning tea by **STREAT** and a delicious lunch from the **Asylum Seeker Resource Centre**.
- » \$75 for a full day's program — no increase on 2018 pricing.
