

## Works Notification

### Site investigation and service installation works McNab Avenue, Footscray

**31 August - 30 October 2020**

As part of the Sunbury Line Upgrade, we are delivering power upgrades that will enable bigger, more modern trains to run on the Sunbury Line. To prepare the rail corridor for future works, we will be conducting site investigations in your area.

#### What we are doing

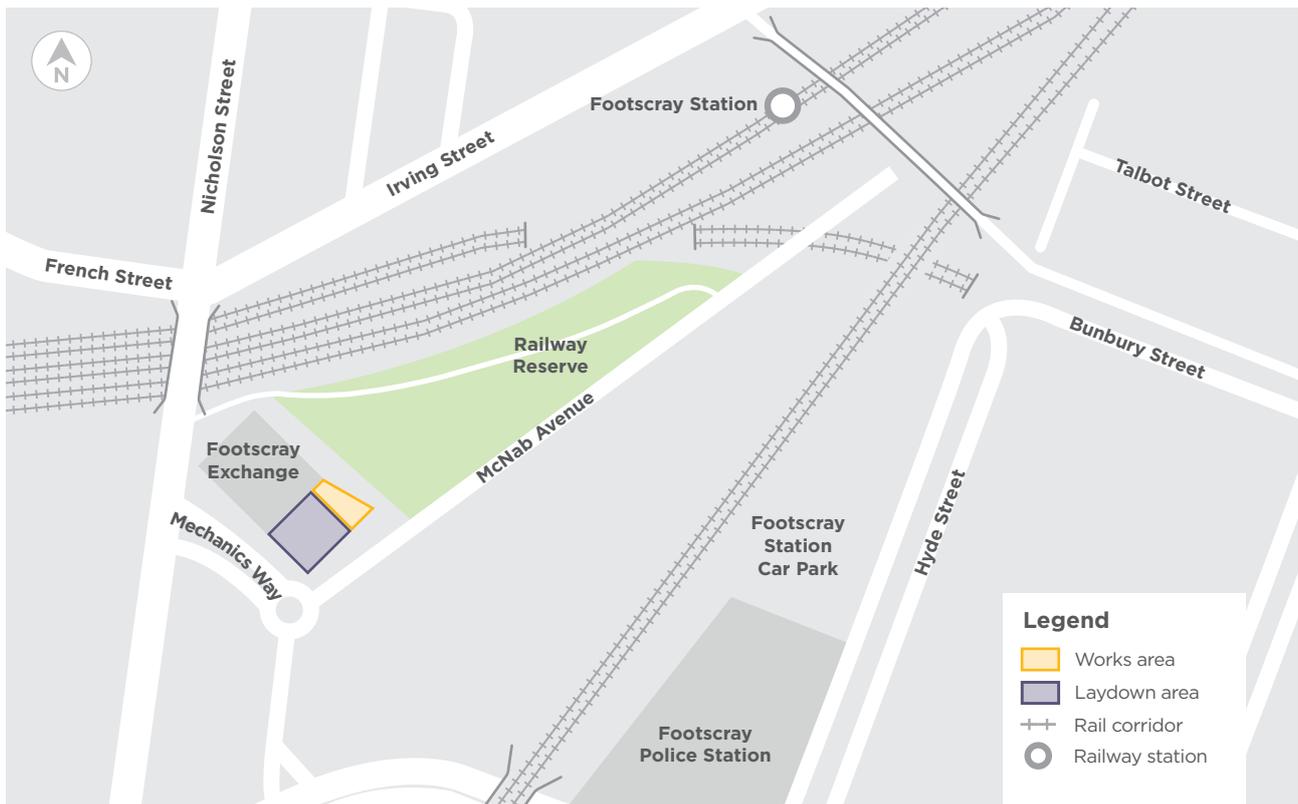

- Temporarily closing the private Telstra car park on McNab Avenue
- Non-destructive digging to investigate ground conditions and confirm the location of underground services
- Using excavators and boring machines to dig underground
- Installing power services in excavated trenches
- Asphaltting over excavated trenches and returning the car park to private use.

#### When

- Monday 31 August to Friday 30 October
- 7am to 6pm, Monday to Friday.

#### What to be aware of

- These works are expected to generate medium to high levels of noise and low vibration
- There will be an increase of construction vehicles travelling on local roads to access McNab Avenue
- The vacant lot on the corner of McNab Avenue will be used for vehicle access and site laydown
- These works may result in increased levels of dust in the area. The use of a water cart will be used to minimise the impact of dust.

### Health and safety

The Sunbury Line Upgrade is a critical state infrastructure project under Stage 4 restrictions, allowing work to continue with strict health and safety measures in place.

The health and safety of our workers and the community is our key priority and we have measures in place to protect the safety of our construction workforce, including temperature screening, additional protective equipment including masks, daily health screening of workers, enhanced cleaning, staggered shifts and break times, and physical distancing.

Our workforce numbers across Victoria's Big Build have already been significantly reduced to support directions from the Chief Health Officer, and we are continuing to manage the number of staff and visitors attending our worksites.

For more information about coronavirus (COVID-19), please visit [coronavirus.vic.gov.au](https://www.coronavirus.vic.gov.au).

### Keeping you informed

To help support the Victorian Government's stage 4 coronavirus (COVID-19) restrictions while still making sure people know what's happening in their area, we've temporarily changed the way we'll notify you about upcoming works.

We are using the following channels instead of hand delivering information into your letterbox at this time.

Please sign up to our email updates via the Rail Projects Victoria website [railprojects.vic.gov.au/sunburylineupgrade](https://railprojects.vic.gov.au/sunburylineupgrade) so we can continue to keep you informed about works in your area.
